Dear Applicant

Thank you for your interest in the post of KS3 English Lead and Teacher of English.

Albany Academy is a highly-regarded small school located in the south of Chorley, an area that boasts excellent schools and colleges in all phases. The academy is a high-performing school, which has an excellent reputation in the local area and is heavily oversubscribed. It is consistently in the top 10 schools in Lancashire for pupil progress and in 2022 received the prestigious *World Class School Award*, from High Performance Learning. We are highly ambitious for our students, our staff and the wider educational community and we provide support for other schools, work closely with other providers and are proud to be a member of [Albany Learning Trust](#), the first school trust of its type in Lancashire. We believe that all students are capable of high performance.

We have strong links with local teaching schools and local primary schools, and we are part of the SSAT Leading Edge network and [High Performance Learning](#), a world-wide network of schools. Several of our staff provide support to other schools.

Behaviour of students is rated as good by Ofsted and students are well prepared for the next steps in their lives. Students receive support in developing positive behaviour, their aspirations, resilience and leadership within lessons and beyond.

The successful candidate will join an experienced and highly successful Faculty team. The faculty consists of English, French and Spanish. The faculty is made up of a hard-working, dedicated team who thrive on challenge and set high expectations of the students and themselves. It is led by an experienced Head of Faculty, Jennifer Morgan. Staff respond to new initiatives with enthusiasm and innovation, and we are proud of the excellent results the students achieve, some of which have been truly outstanding.

English GCSE results are usually well above national averages and place the subject in the top 10% nationally. We are determined that the faculty and school will become world class and we require a colleague who can help continue our inclusion of [High Performance Learning](#) and increasing challenge in our curriculum. We have recently adopted the [OAT curriculum](#), designed by David Didau.

The ideal candidate should be open to new ideas and would enthuse and motivate both students and staff, immersing themselves in the Albany community. We are determined that the faculty and school will become world class and we require a colleague who can help continue our inclusion of [High Performance Learning](#) and increasing challenge in our curriculum and 'teach to the top'. The ideal candidate will understand that all children are capable of high performance; they will be collaborative with colleagues and respond positively to feedback and the need to continually improve. Albany Academy is an excellent school in which to teach, and the post would be suitable for ECTs as well as experienced teachers. We are part of the Embrace Teaching Hub and have strong links through our trust with other Hubs and organisations.

We take the development of our staff very seriously and we have strong professional development across our trust, which has been recognised this year by the [MAT excellence awards](#). This pack contains a job description, our Professional Development framework for teachers and a copy of the Albany Way.
